WELL DEVELOPMENT AUTHORIZATION

Date Issued: _____

Well ID No.: _____

Well Owner: _____

Address: _____

City: _____ **State:** _____ **Zip:** _____

Well Location Address: _____

County: _____

Latitude: _____

Longitude: _____

The application for development of the well described above is approved. No changes for the information submitted in the application for this well are permitted without prior approval of the District. This authorization to proceed with well development in accordance with District Rules is effective for 120 days after the date of issuance (Rule 5.7). A copy of this authorization must be maintained at the well site during work on the well.

Acceptance of this permit constitutes acknowledgement of an agreement to comply with all of the terms, provisions, conditions, limitations, and restrictions (Rule 5.9).

The State Well Report and driller's log, casing, and pump data must be submitted to the District within 60 days after completion of work (Rule 6).

An application for an Operating Permit must be filed by the well owner or well operator with the District within 14 days after completion of the new well, reworking or re-equipping of an existing water well.
